

Public Notice

Unclaimed Capital Credit Checks

Listed below are the names of current or former members of Dickey Rural Telephone Cooperative who had capital credit checks mailed to them more than six years prior to May 31, 2022. These checks have been returned to Dickey Rural Telephone Cooperative (DRN) or have not been cashed. A further search by DRN personnel has not turned up the intended recipient's whereabouts. If you received telephone or other service from Dickey Rural Telephone Cooperative any time prior to this notice and your name is on this list, please contact DRN at 701-344-5000. If you know of the whereabouts of members on this list who received telephone or other service from DRN at any time please have them contact DRN at 701-344-5000. Please keep in mind that not all of the capital credit amounts are large. However, DRN desires to get the money due to those who earned it, and clear up DRN's records. DRN will redeem capital credits for those members on the following list who notify us on or prior to the 180th day after the first publication of this Notice. Notice is hereby given that any of the aforementioned unclaimed capital credits outstanding after the 180th day after the first publication of this Notice will be forfeited pursuant to Section 10-15-34.1 and 10-15-23 of the North Dakota Century Code. DRN shall publish this notice of redemption at least once a month for four months both in a publication circulated among members of cooperatives in the area, if any, and in a newspaper of general circulation in the area.
